Alexandria, VA 22313-1450****SIR:****COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE
STATEMENT OF SUBSTANCE OF INTERVIEW**

Applicant believes that the record of the prosecution as a whole, including Applicant's specification and claims, provides additional reasons for allowance. The Examiner's Reasons for Allowance do not necessarily state all the reasons for allowance or all the details why the claims are allowed and, therefore, should not be used to interpret the scope of the claims in place of the record of the prosecution as a whole.

This is intended as a full and complete response to the Interview Summary concerning a telephone interview held on September 10, 2008 between Examiner Rachna S. Desai and Applicant's representative, Eamon J. Wall. Applicant's representative thanks the Examiner for the telephone interview on September 10, 2008 and acknowledges the summary of the substance of the interview in the Interview Summary mailed on September 12, 2008.

During the interview, the Examiner requested authorization to amend claim 51 to depend from claim 42 instead of claim 23. Applicant's representative authorized the change to be made by Examiner's Amendment.
